

Community Service Opportunity

Looking for a community service opportunity for your troop?

This **November**...Let's make the Hunterdon Medical Center festive for the holidays:

- Make ornaments for the tree in the back lobby.
- Make holiday cards that we can place on patient food trays that include any get well type message helps to lift patients' spirits.
- Make a wreath for the nurse's stations.

Please reach out to Amy to coordinate these projects (so we don't all do the same thing!) and if you'd like her to deliver!
zenkerta@hotmail.com.

From COUNCIL: Looking for a **troop service opportunity**? Groups of 4-8 Girl Scouts (4th grade and up) with at least two adult chaperones can reserve a two-hour evening shift between November 29th - December 31st to volunteer at the Turtle Back Zoo entrance in West Orange, helping to collect donated goods. We had several of GSHNJ Troops participate in this last year and had a blast! You'll get a hot chocolate voucher as a thank you plus the chance to visit the zoo before or after your shift.

For more information about this service opportunity and to schedule your troop for one of the open volunteer shifts, email kdurr@parks.essexcountynj.org.

Or find the info in [Rallyhood](#).
